DEDICATION

We, the students of the Senior Class
respectfully dedicate this,
our RAMBLER, to

MISS MARION BURNS,

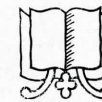

who has not only helped us in the every-day work which is
necessary, but also given us a few pointers on what our life
should be.

FOREWORD

This year, as in other years, the Senior Class endeavors to bring to the public what the High School, as a whole, has accomplished in the past nine months. They do this by publishing the *Rambler*, and express their desire that this custom will never end.

NORTHFIELD HIGH AND GRADED SCHOOL

HISTORY OF NORTHFIELD HIGH AND GRADED SCHOOLS

What is now Northfield High School was first established in 1870, and was the successor to the Northfield Academy, chartered by the Vermont Legislature in 1846—this being the first regular institution of higher learning in this valley.

The Graded and High Schools opened in September, 1870, with 313 pupils, Marshal R. Peck, A. B., Principal. Its charter was granted in 1872.

The school was then housed in one building—consisting of seven main rooms, used by both high school and grades. In 1904 it was found necessary, on account of crowded conditions, to enlarge the school facilities and the present High School, a commodious brick building, north west of the old school was erected and the High School removed to its new quarters in 1905. The number of pupils at that time was 135.

This school has ever been served by able principles and teachers—the principals being as follows: 1870-72 M. R. Peck, 1872-75 A. R. Savage, 1875-76 Eben Smith, 1876-78 A. W. Blair, 1878-80 W. W. Prescott, 1880-81 A. A. Shaw, 1881-88 J. M. Hitt, 1888-89 I. P. Booth, 1889-90 A. L. Jones, 1890-91 H. O. Aiken, *1891-92 W. S. Spencer, 1892-93 I. P. Booth, 1893-94 A. F. Booth, 1894-96 W. E. Hurlbut, 1896-00 C. A. Plumley, 1900-03 H. H. Kibbey, 1903-06 Duane L. Robinson, *1906-07 A. J. Borst, *1907 Miss Prudence Stickney, 1907-09 G. S. Wright, 1909-10 E. G. Baldwin, 1910-12 J. M. Tebbetts, 1912-13 Joseph Weintrob, 1913-14 H. B. Bryant, 1914-18 R. A. Eaton, *1918-19 E. H. Eastman, *1919 J. J. Finnessey, 1919-29 J. J. Finnessey, 1929 J. N. Erickson.

FACULTY

THE FACULTY

There are teachers who are bright,
 There are teachers who are smart,
 But best of all are teachers
 With an understanding heart.

And we have the best. Not only have the faculty, understanding and patient as leaders, led us in history, mathematics, languages and science, but in some side-fashion have given us an idea of what to expect in life.

So the Senior Class, in leaving, wish to express their thanks for this careful guidance through the past four years and hope it will not prove in vain.

Class History of '37

When we entered high school, a large number of miners looking for a gold mine, we were a little disappointed when the end of the first year came and we had found only a copper mine.

A few nights after the mine was claimed we celebrated with a reception. In the months that followed, we found that mining wasn't as easy as we had expected. By the end of the year a few had left.

By the beginning of the second year, our copper mine was about run out, so we started looking for another. This time we had better luck. We found an iron mine. But the work was harder than before and some could not do it. The iron didn't last long and by the end of the year, the miners, with better prospects in view, took a vacation and started looking for another job.

The next year, with luck, a silver mine was claimed. With enough silver the miners were able to get rings which pledged each to the mine. Near the end of the year, a reception was given to another company whose mine, which was very good they said, we could take over next year.

So with high ambitions and better ability we took over the gold mine. Even though some could not make "ends meet", the year proved prosperous for most of us. On June 15, we discontinued the mine. Everyone had made a fortune—a fortune of knowledge and ability.

AGNES LOUISE BROWN

"Brownie"

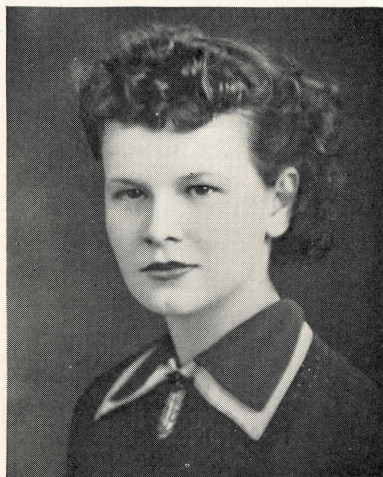

To be a private secretary to some famous person

SECOND HONOR

Glee Club (1, 2, 3, 4); Alumni Editor, Rambler Staff (4); Chorus, "The Purple Pigeon" (3); "Here Comes Patricia" (4); Honor Roll; All-State Chorus (4); Librarian (4); Chorus (1, 2, 3, 4).

AGNES is the class optimist. No blue Mondays and gloomy days for this amiable and gay personage.

Her ready smile and contagious cheerfulness soon make one forget that there ever were such trifles as worries and cares.

ELIZABETH ANNE BURLESON

"Betty"

Private Secretary

Chorus (1, 2, 3, 4); Chorus, "Purple Pigeon" (3); Librarian (4); Dramatic Club (4); Banker (4).

GIVE Betty some one with whom to argue and time ceases to exist. Many persons have been involved in heated arguments with Betty, and they always emerge with ill results.

Betty has proven a valuable asset to the class of "37" with her willingness to cooperate and to lend a helping hand, whenever it is needed.

OLIVE ROSS CARLETON

"Polly"

Doctor

Orchestra (2, 3, 4); Festival Orchestra (3, 4); Winooski Valley Orchestra (4); Dramatic Club (4); Glee Club (3, 4); Librarian (4); Banker (4); Chorus, "Purple Pigeon" (3).

THIS clever and amusing maiden has saved us from many a dull moment, thanks to her keen wit. Polly is always willing to join in any fun and to display her initiative when mischief is afoot.

Polly can also supply you with all information concerning hospitals, doctors, and medicine.

DELMAR CHASE

"Chasie"

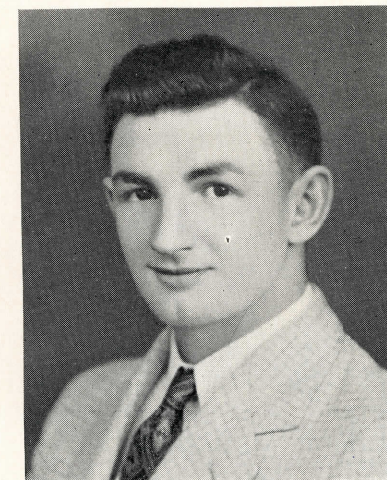

To buy more than two gallons of gas at one time

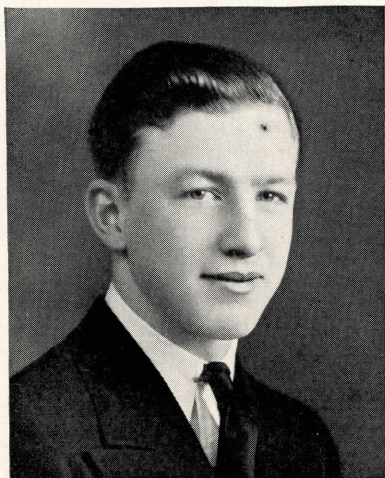

President (3, 4); Basketball (1, 2, 3, 4); Captain School Boy Patrol (3, 4); Glee Club (1, 2, 3, 4); All-State Chorus (4); "Tea House of Sing Lo", Chorus (1); "Purple Pigeon" (3); "Here Comes Patricia" (4); Marshal (3); Librarian (4); Captain Magazine contest (3); Editor-in-Chief, Rambler Staff (4).

DON'T bother asking this young man any inane questions! Athlete, officer, and politician, he's really much too busy making sure of his position at Helena, Montana, to bother with trifles.

And don't forget, if ever you'd like to get the low-down on weather, this "human dictionary of weather signs" will be around to help you.

He also has a hankering for different kinds of cars.

BASIL L. CHRISTMAS

"Honey"

Engineer

Orchestra (1, 2, 3, 4); Chorus (1, 2, 3, 4); All-State Orchestra (2, 3); All-State Chorus (4); Property Manager, Senior Play (4); German Band (2).

IT CAN never be said that Basil has developed a very amiable feeling towards Muzzey in the past year, but he has found much liking for Morpheus. In history class, Basil may be seen relaxing in these friendly arms, while Muzzey is allowed to vouch for itself.

Nevertheless, in his more active moments, this cheerful young man may be seen amusing the fairer sex with his wit and humorous remarks.

FLOYD CLAYTON COLGAN

"Irish"

Farmer

Chorus (1, 2, 3, 4).

FLOYD appears to be the one serious member of our Senior class. His ability for "stick-to-it-iveness" is envied by all—and girls?—we might say that he's not bashful, just "careful."

DONETTA ROSE MARIE DEMASI

"Teda"

Nurse

Chorus (1, 2, 3, 4); Librarian (4); Chorus "Purple Pigeon" (3).

QUIET! Efficient! Loyal! These words sum up Donetta. Everything she attempts, whether it's doing something for the class, or Latin for herself, is done well.

Incidentally, Donetta, what's your big secret? You're so quiet that you must be holding out on us. It just isn't natural for a member of *this* Senior class to do so little talking.

ANNA DICKINSON

"Dicky"

Secretary

Honor Roll (2, 3, 4); All-State Chorus (4); Chorus, "Purple Pigeon" (3); Glee Club (2, 3, 4); Chorus (1, 2, 3, 4).

CHARM and sincerity are personified in this young Roxbury Miss. Although she devotes none of her time to making her presence known, one may always hear, "Annie, how is this done? Is this correct?"

We feel sure that one day we'll be able to say "I knew her when—."

AURORA DIEGO

"Rusty"

To get to the top

Basketball (1, 2, 3, 4); "Purple Pigeon" (3); Chorus (1, 2, 3, 4); Librarian (4); Alumni Editor, Rambler Staff (4).

AURORA, although unusually reticent while in school, seems to do well for herself when outside the brick walls of N.H.S. An accomplished dancer and basketball player, Aurora seems to be a versatile person.

DOROTHY EMERSON

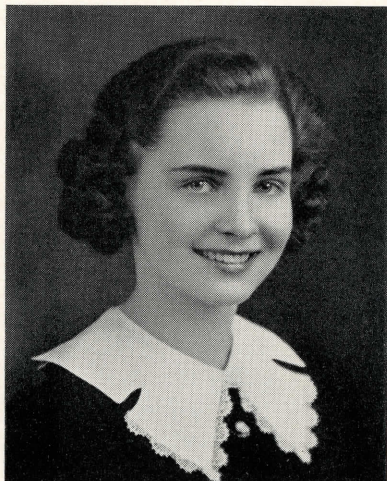

"Dot"

Secretary

FIRST HONOR

Orchestra (4); Debating (3); Treasurer (1); Vice-President (2, 4); Dramatic Club (4); Glee Club (1, 2, 3, 4); All-State Chorus (4); Pianist, "Purple Pigeon" (3); "Here Comes Patricia" (4); Honor Roll (1, 2, 3, 4); Librarian (4); Banker (3); Associate Editor, Rambler Staff (4).

WE'VE finally decided that Dot has remained in position for four years in preparation for the coronation of England. So stick to the ship, Dot, until the last man's gone ashore and you needn't worry about its sinking because with calmness and confidence, you'll be sure to keep it afloat as you have the Senior play.

JUVITA FERNANDEZ

"Nini"

To be a lady of leisure

Chorus (1, 2, 3); Basketball (1, 2, 3); Dramatic Club (4); "Here Comes Patricia" (4); Glee Club (1, 2); Librarian (4); Honor Roll; Literary Editor, Rambler Staff (4).

"WHAT? Again? No-yet!"

It's only Nini—and her retinue of friends. But what a retinue. Our military girl has enough pep for three persons, as she ably proved in the Senior play.

Similes seem too pale to apply to this charming Senorita, don't you think?

AGNES C. FRENCH

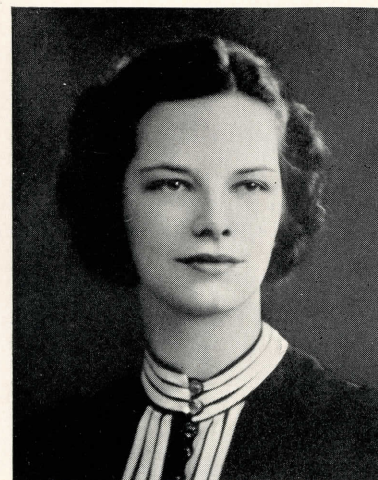

"Frenchie"

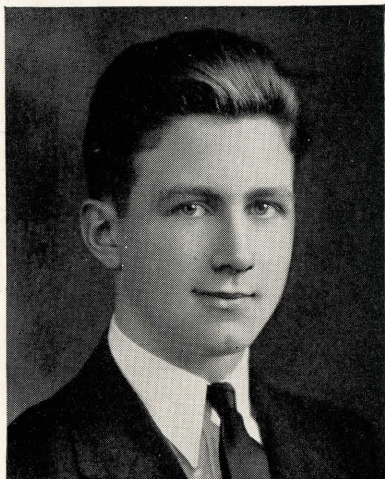

Aviatrix

Orchestra (1, 2, 3, 4); All-State Orchestra (3); All-State Chorus (4); "Here Comes Patricia" (4); Chorus (2, 3, 4); Glee Club (1, 3, 4); "Purple Pigeon" Chorus (3); Librarian (4).

IN YEARS to come we can visualize this demure young miss calmly taking dictation in some large concern.

Not that Agnes' only interest lies in this field. You have only to refer to her Motto—"A Huntoon we will go"—which in itself explains everything.

ROBERT GILLESPIE

"Dynamite"

Life of Ease

Winooski Valley Orchestra (2, 3); All-State Orchestra (3, 4); Basketball (2, 3, 4); Orchestra (2, 3, 4); German Band (2); Glee Club (4).

"His movements are graceful,
All girls he does please."

THIS seems to fit perfectly our Beau Brummel. Blonde or brunette, "Dynamite" has no preference—but his *number* of girls? Oh, please—they are numberless!

It takes little effort to remember his ever present cheerfulness and wise remarks.

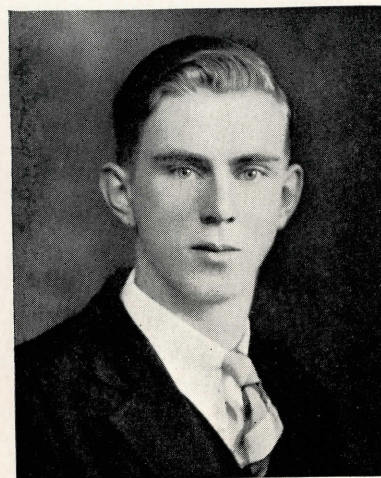

JOHN HERBERT GROSS

"Johnny"

Mechanic

School Boy Patrol (2, 3, 4); Chorus (2, 3, 4); Rambler Staff (4); All-State Chorus (4); Chorus (1, 2, 3, 4).

JOHNNY has a hearty quality which one cannot help but admire. His sturdy cheerfulness at all times has helped us over many a bare spot. So, thanks to you, John, for your fine collection of jokes which have brightened this last year.

GEORGE GROVER HEDGES

"Georgie"

U. S. Postal Railway Mail Clerk

Basketball (1, 2); Manager Basketball (4); Stage Manager, "Purple Pigeon" (3); Rambler Staff (4); Property Manager, "Here Comes Patricia" (4); Chorus (1, 2, 3, 4); School Boy Patrol (2, 3, 4).

GEORGE devotes most of his time to his books, receiving excellent marks and the envious glances of his classmates as his just reward. His quiet and cheerful nature have made him liked by both students and teachers.

MARY ELEANOR HUNT

"Me"

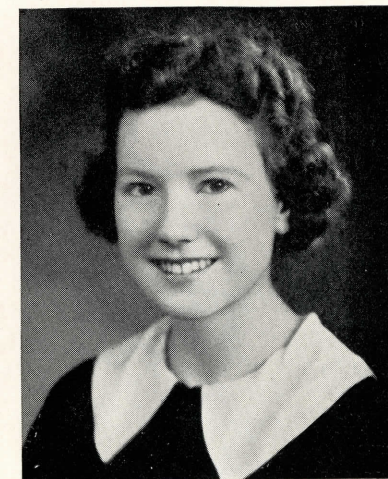

Teacher

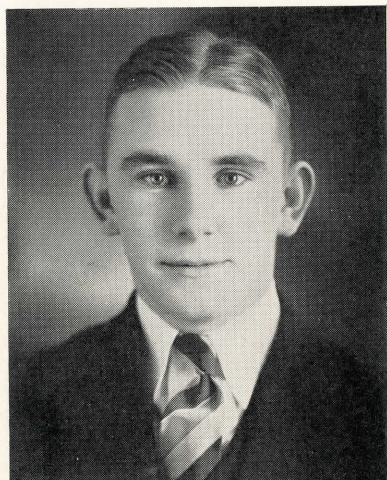

THIRD HONOR

Orchestra (1, 2, 3, 4); All-State Orchestra (2, 3, 4); "Purple Pigeon" (3); Chorus (1, 2, 3, 4); Librarian (3); Banker (4); Honor Roll.

AT FIRST glance, Mary Eleanor seems very demure and dignified. But don't allow exterior appearances to lead you astray. For this versatile miss is one of the fiery members of the class.

Her pep and enthusiasm were sadly missed when she abandoned us for a few weeks, the latter part of the year, to go to Florida.

ALLAN KIDD

"Al"

Politician

Orchestra (2, 3, 4); Vice-President (1); Chorus (1, 2, 3, 4); All-State Orchestra (2, 3); Rambler Staff, Business Manager (4); Music Festival (2, 3, 4).

OUR hats are off to the historian of the class! We are all ever so proud to present to you the person who is rarely, if ever, stuck on a question of historical importance. In fact, he seems to be well prepared on about everything.

"Al" is one of those exceptionally quiet people who startle you every so often with dry, witty comments.

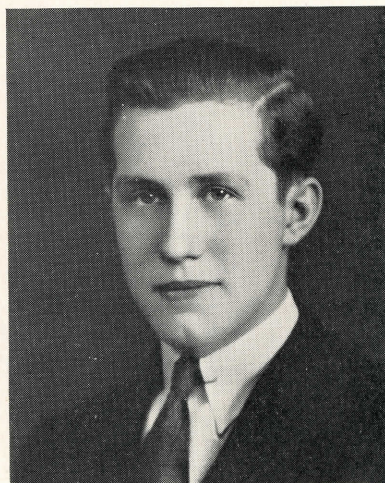

WILLIAM LEE

"Billy"

A good paying job

Secretary and Treasurer (2, 3, 4); Orchestra (3, 4); School Boy Patrol (2, 3, 4); "Here Comes Patricia" (4); Rambler Staff, Art Editor (4); Winooski Valley Orchestra (4); Chorus, "Purple Pigeon" (3); German Band (2); Glee Club (1, 2, 3, 4); All-State Chorus (4); Dramatic Club (4).

THIS talented young man has found much to occupy his attentions in the past year. He not only spends his leisure time in drawing lifelike images of different members of the class, but has also earned for himself the appellation of "Romeo". These qualities give you a faint idea of what an amusing and fun-loving person Billy really is.

MARGARET ADA NASH

"Ada"

Nurse

FOURTH HONOR

Chorus (1, 2, 3, 4); Chorus, "Purple Pigeon" (3); Honor Roll (1, 2, 4); Librarian (3, 4); Home Economics Club (4).

"**M**ISS Nash—Mr. Lee"! How many times this has shot across the long assembly hall! Ada's conferences with the worthy Mr. Lee have produced results, for both have attained high scholastic rating. So here's to more conferences.

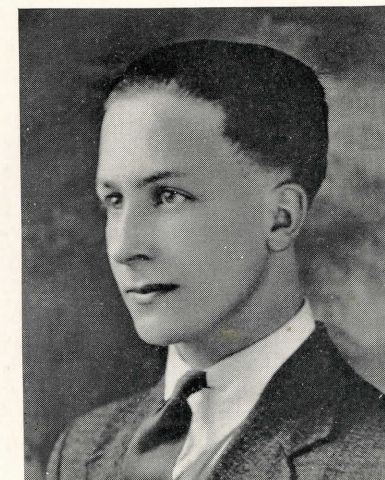

BASIL NEALE

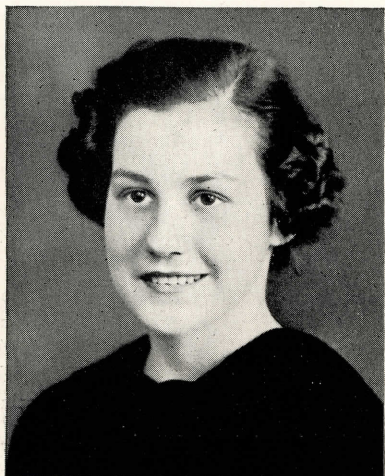

"Pop"

Engineer

Honor Roll (1); Public Speaking Prize (2); School Marshal (3); Property Manager, "Purple Pigeon" (3); Property Manager, "Here Comes Patricia" (4); School Boy Patrol (4).

BASIL is truly an enigma to most of us. Especially nice looking, with a pleasing disposition, yet he remains elusive to us because of his silence. Certainly it's not a fear of talking too much. More likely he is being wiser than most of us, and is keeping his opinions to himself.

HELEN E. PRIMROSE

"Primi"

Journalist

Chorus (4); Basketball (4); President, Dramatic Club (4); Oratorical Contest (4); "Here Comes Patricia" (4); "Greener Grass" (4); Librarian (4); Literary Editor, Rambler Staff (4); Glee Club (4); All-State Chorus (4). All-State Chorus (4).

ALTHOUGH Primi has been with us only one year, she has quite decidedly won the hearts of one and all of her classmates. Incidentally, Helen is more than popular on "the hill," thanks to her sparkling wit and charming personality.

DOROTHEA ESTALENE PRINDLE

"Dot"

To entertain

Chorus (4); Glee Club (4); Orchestra (1, 2, 3, 4).

THAT much-quoted adage, "good things come in small packages" applies specifically to Dot. Although Dot is one of the smallest girls in the class, she makes her charming presence known with her cheerful disposition and grand sense of humor.

Dot owes much of her popularity to her sweet disposition, which, it is rumored, is developed from her constant diet of "Old Nicks."

HELENA AMELIA PROVOST

"We We"

Hair Dresser

Chorus (1, 2, 3, 4); Glee Club (1, 2, 3, 4); Basketball (1, 2, 3, 4); Festival Chorus (4); Librarian (4); "Purple Pigeon", Chorus (3); President, Home Economics Club (4); Co-Captain of Basketball (4); Captain Magazine Contest (4).

HELENA is one of the more active members of our class. This was very well displayed in her fine work as center on the basketball team.

Helena's pleasing personality and jocund nature have won for her loads of friends, especially from the masculine part of the Senior class.

MARY PROVOST

"Marie"

Nurse

Chorus (1, 2, 3, 4); Glee Club (1, 2, 3, 4); All-State Chorus (4); Rambler Staff, Secretary (4); Librarian (4); "Purple Pigeon" (3).

MARY has always surrounded herself with reserve, but beneath this placid exterior is hidden a friendly and lovable disposition. To know her as a classmate is a pleasure, and as a friend Mary is unsurpassed.

DOROTHY ANITA ROBERTS

"Dot"

Bookkeeper

FIFTH HONOR

Glee Club (1, 3, 4); Chorus (1, 2, 3, 4); Secretary, Rambler Staff (4); "Purple Pigeon", Chorus (3); Librarian (4); All-State Chorus (4); Honor Roll (4).

THE all important question seems to be whether Dot is absent every so often in order to help "Red" deliver milk, or whether she is ill. Whatever the answer may be, we are certain that Dot is a grand pal and no end of fun.

HAROLD ROBERTS

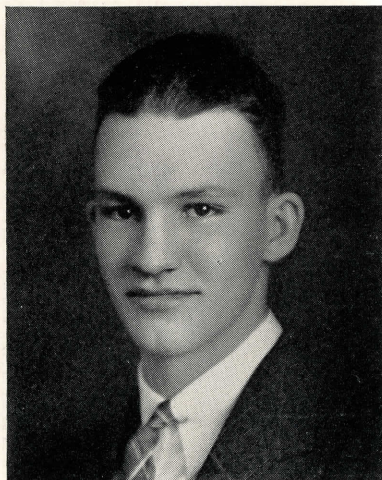

"Bob"

Baseball Player

Basketball (2, 3, 4); Chorus (1, 2, 3, 4); Glee Club (3); "Purple Pigeon", Chorus (3); "Here Comes Patricia" (4); All-State Chorus (4); School Boy Patrol (3, 4).

DURING Harold's four years at Northfield, he has established a bit of a reputation for being in the wrong place at the wrong time. Just when the fairer sex think they have escaped his everlasting pranks and teasing.—Lo and behold, he is on the scene again.

Harold has proved, however, that he can be "Johnny on the spot" in basketball, for many a game has been won by his cleverness and ability.

ROSETTA SLACK

"Chubby"

Dress Maker

Home Economic Club (4); Delegate, Home Makers Conference (3); "Here Comes Patricia" (4); Glee Club (1, 2, 3, 4); Chorus, "Purple Pigeon" (3); Librarian (4); All-State Chorus (4).

WITH the aid of blonde hair and a charming personality, many of those dark days at N.H.S. have been polished up by Rosie.

'Tis said that she's partial to a Green Ford V8—and it's a known fact that she is a second Gracie Allen in acting.

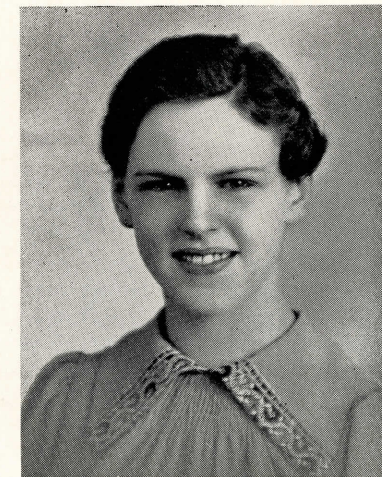

FRANCES MARION SULLIVAN

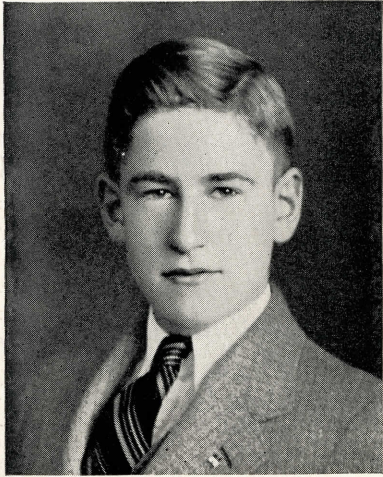

"Frankie"

History Teacher

Glee Club (1, 2, 3, 4); All-State Chorus (4); Chorus, "Purple Pigeon" (3); Librarian (4); Home Economics Club (3); Chorus (1, 2, 3, 4).

To accompany her tallness, Frankie has a truly big heart of gold, and a smile that truly "Warms the cockles of your heart". She's a darling, and all the class will verify this for you.

KENDALL THORINGTON

"Klondike"

Aviator

Chorus, "Purple Pigeon" (3); Rambler Staff (4); School Boy Patrol (2, 3, 4); Chorus (1, 2, 3, 4); Honor Roll (1, 2, 4).

HERE'S to the little-big man of our class! It seems that every class is blessed with one person who is small of stature, but who knows what to do with his many talents. Kendall more than proves this truth.

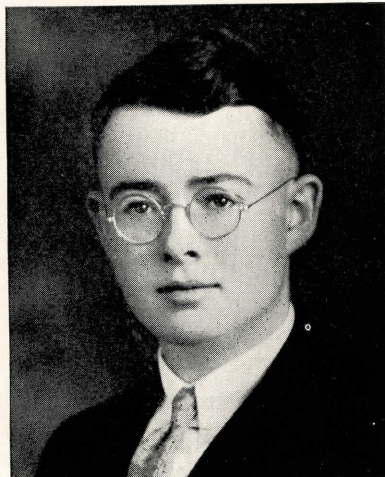

LAURENCE L. WILLARD

"Ping"

Radio Engineer

Glee Club (4); "Here Comes Patricia" (4); Dramatic Club (4); Chorus, "Purple Pigeon" (3); Chorus (1, 2, 3, 4); Joke Editor, Rambler Staff (4).

THIS robust young man seems to have a hankering for the unusual—such as weird experiments with his explosions. However, all this can be excused when one hears his factory-made "drawl", produced especially for the Senior play.

L. CLAYTON WILMOTT

"Tate"

To be well liked by all, and to gain ability to agree with everyone

Orchestra (2, 3, 4); School Boy Patrol (4); Glee Club (4); Chorus (1, 2, 3, 4); All-State Chorus (3, 4); Rambler Staff, Advertising Manager (4); "Here Comes Patricia" (4); "Purple Pigeon" (3); Dramatic Club (4).

TATE has kept out of the limelight until this year when he became the only masculine member of the Cicero class and proved his ability to set things humming.

Tate has also proven that he is a valuable asset to the Senior class by his ability to accept responsibility and to produce results.

AGNES J. WOOD

"Red"

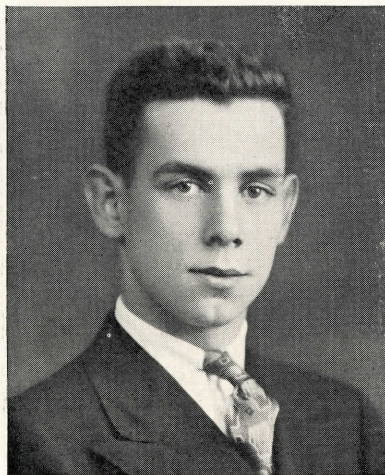

Basketball Coach

Basketball (1, 2, 3, 4); Chorus (1, 2, 3, 4); Rambler Staff (4); Chorus, "The Purple Pigeon" (3); Librarian (4); Co-Captain of Basketball (4).

A GOOD friend and an all-around good sport, Agnes' ready smile and cheerful disposition have endeared her to all her classmates. Whether on the basketball floor or in school, Agnes always displays her enthusiastic spirit.

We are certain that her personality and good nature will bring her success in life.

WILLIS WOOD

"Woody"

Glee Club (3, 4); Chorus (1, 2, 3, 4); All-State Chorus (4); Rambler Staff (4); Basketball (1, 2, 3, 4); "Purple Pigeon", Advertising Manager (3); School Boy Patrol (3, 4); "Here Comes Patricia", Business Manager (4); Dramatic Club (4).

WILLIS is decidedly not a temperamental person, as he has proved by his never-changing success while on the basketball floor and whenever filling responsible positions in school activities. His cheery grin is often seen behind the counters of various down-town grocery stores.

CLASS SONG

The time has quickly passed away,
 Four years so quickly spent.
 And now we find it's time to say
 Farewell, Dear school, Farewell.
 O, N. H. S. We'll try our best
 As through this life we go.
 To practice all we've learned from you
 for Victory is our goal.

Chorus:

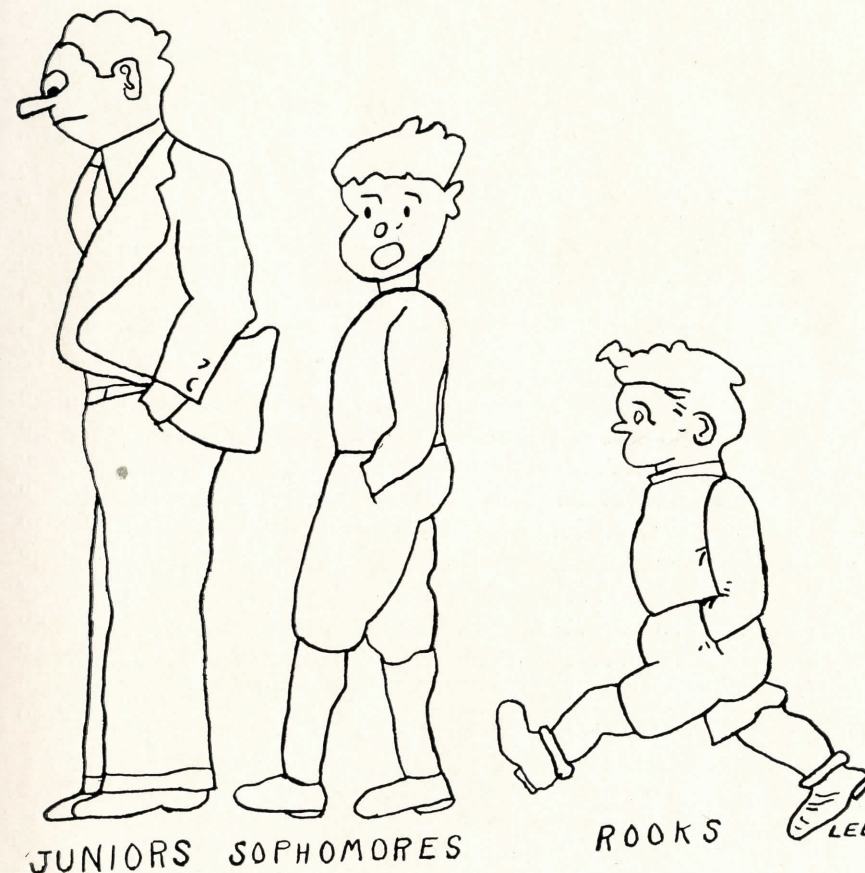

Oh what's in store for thirty-seven
 We wonder anxiously.
 March on, head up, O thirty-seven
 The secret's God's alone.

God has a purpose for each life
 A future for us all.
 O may we not abuse this life
 With trivial things and small.
 O life's sublime and good and kind
 If we but make it so.
 So help us, God, to toe the line
 For Victory is our goal.

Chorus:

Oh what's in store for thirty-seven
 We wonder anxiously.
 March on, head up, O thirty-seven
 The secret's God's alone.

JUNIOR CLASS

Junior Class History

At a small station called the "Graded School" a group of groping students boarded the Northfield High School Express for a four year trip to a place called "Graduation". To their surprise, they found that this train was not reserved for them alone but that there were three other carloads traveling with them.

The first few weeks were spent in getting adapted to their surroundings and becoming acquainted with one another. The first year passed quickly, due to some social activities and more learning.

At the beginning of the second year we find that some have been left behind at passing stations and the rest, after changing cars in order to make room for another group of passengers, are riding merrily toward their destination. The year passes all too soon and before the passengers really realize it, the third year is upon them.

At the beginning of this year, after again changing cars, the group goes on and will soon be ready for the first class coach which will take them on the last lap of their journey toward their destination, "GRADUATION".

SOPHOMORE CLASS

Sophomore Class History

Before the pretentious portals of Northfield High School in the memorable year of '34, a bewildered group of Freshmen gazed at the edifice, which was to be their joy and sorrow for four long years. After spending about a month wandering aimlessly through the halls and becoming acquainted with rooms and other objects, they settled down to actual work, commencing with the novel task of carving initials on the desks. They were formally welcomed to Northfield High School by a reception given in their honor by the Sophomores.

Revenge !! At last, as Sophomores, we could tease and browbeat the incoming Freshmen, a task we administered with zeal.

This year we contributed five of the six members of the cast of "Greener Grass," which was presented in the One-Act Play Contest.

We are looking forward to even "bigger and better" events next year.

FRESHMAN CLASS

Freshman Class History

As the gong sounded September 8, 1936, about sixty-five eager boys and girls entered the portals of greater knowledge in a certain brick building known as Northfield High School, our purpose being to learn more about that Great Adventure called Life.

Having been initiated in the proper style, and welcomed by a very delightful reception given us by the Sophomores, we settled down to acquaint ourselves with our new surroundings. We were much elated at the prospect of being high school students even though we were only Freshmen, and, although we were rather timid the first few weeks, the shyness soon wore off, due to the kindness shown us by members of the faculty and upper classmen.

We have lost several members for various reasons during the year. The loss of Donald Sherwood, killed in a motor accident, who was one of the finest boys in the class, was felt very keenly by all.

And now, as we are about to take our place as Sophomores, let us hope that the Freshmen of next year will enjoy their good times as thoroughly as we have ours.

ALL-STATE GLEE CLUB

THE MUSIC FESTIVAL

This year, as many years before, the High School was represented at Burlington by a large number chosen both from the Glee Club and the Orchestra. As usual, the Festival was a great success, including the over-night stay, and the really enjoyable music aided by the N. H. S. students. This is only one of the pleasant events that will last forever in the memories of the N. H. S. seniors.

Members participating in the Festival Orchestra were: Mary Eleanor Hunt, Olive Carleton, Louise Davis, Dorothy Schwenger, Deborah Mayo, Edward Peach, Robert Gillespie and Malcolm Goodenough.

SENIOR PLAY

SENIOR PLAY

"Here Comes Patricia" can rightly be said to have been another successful Senior Play. It is cleverly worked around Patricia Grayson, the Governor's nineteen-year old adventurous daughter (Juvita Fernandez), who tries, with her identity unknown, to operate a filling station in Fern Lawn, a small town. Twice she is threatened to be driven out of town—once, by Mrs. Smith-Porter, the town aristocracy (Dorothy Emerson), and once by peppery Adam Wade (Clayton Wilmott), which only delights Patty all the more.

Jimmy Clark (William Lee), a newcomer, is given the task of getting rid of her and quite naturally falls in love with her, thinking she is Adam Wade's niece. About this time the town is very much excited over the expected visit of the Governor and his daughter, and a big parade is planned with much fun over persistent Elsie Crowder (Helen Primrose), who chases, and finally gets Patty's much abused cousin, Elbert Hastings (Delmar Chase). Angelina (Rosetta Slack), Minnie Knoop (Agnes Brown), and Bud Flannigan (Harold Roberts) supply a good percentage of the laughs, while Tim Hopper (Lawrence Willard), and Mrs. Carroll (Agnes French) try to keep things going straight in the midst of the mix-ups. Imagine Fern Lawn's surprise when the identity of Patricia is revealed and she is found to be the Governor's daughter.

The Seniors feel that this has been the outstanding event of the year and keenly appreciate the time and effort which Miss Salmond spent in making it a success.

SCHOOL BOY PATROL

THE SCHOOL BOY PATROL

The School Boy Patrol was organized three years ago, and has proved to be a very satisfactory device for the safety and protection of high school and graded school students. The work of the boys on this patrol is very commendable as they have to take their posts under any circumstances. The N. H. S. Patrol is considered one of the ablest in Vermont.

BOYS' BASKETBALL

BOYS' BASKETBALL

When the coach issued his call for candidates to man the basketball team of 1936-37, four veterans, Willis Wood, Delmar Chase, Harold Roberts, and Eddie Maltese, and about twenty new men responded. Immediately hopes for a good team were expressed by all students and friends of the school.

The season started December 9th when we met and defeated Marshfield by the score of 21-6. The team played good clean games throughout the season. The performance against St. Michael's deserves special notice. We lost this game after playing three overtime periods.

GIRLS' BASKETBALL

GIRLS' BASKETBALL

A large group of girls came together this year for the purpose of building up a winning team. They were introduced to the new six-man system of playing, and produced a team with plenty of fight and spirit. Under the able leadership of Miss Harrington, our girls plowed through a number of victories and losses.

Possibly the highlight of the year was the delicious banquet at Plainfield on April 16th.

DRAMATIC CLUB

DRAMATIC CLUB

A Dramatic Club was organized for the first time at Northfield High School under the leadership of Miss Salmond. This organization is comprised of members from the three upper classes who have displayed an active interest in dramatics.

President.....Helen Primrose
Vice-President.....Louise Davis
Secretary.....Edward Peach
Treasurer.....Dorothy Emerson

Meetings are held twice a month, and at each meeting plays are discussed and small sketches put on.

It is expected that an even larger group will wish to join our club next year.

ONE ACT PLAY

One Act Play

On April 15, the club presented a one-act play "Greener Grass" in the district contest held at the Norwich Armory. The other schools represented in this section of the State One-Act Play Contest were Chelsea, Montpelier, and Randolph.

Greener Grass portrays a delightful comedy of family life. Sylvia Murdock, as Mrs. Ember, and her two children Sylvia (Mystie Wood) and Ray (Robert Berry) are very much discontented with their simple life and they make the life of Mr. Ember (George Nitchie) miserable with their constant nagging until he finally has to "put his foot down." Sylvia finds that her permanent boy friend, Mort Blair (Teddy Peach) is not only much more dependable, but also much nicer than some who had seemed more glamorous to her. Mrs. Van Page (Helen Primrose), whom the Ember family had envied, appears and informs them that she has lost everything, whereupon the Embers decide that maybe the grass is just as green in their own yard.

HOME ECONOMICS CLUB

HOME ECONOMICS CLUB

Among the other activities in High School is the Home Economics Club, which was started this year. The club has been much fun for the group of girls who belong to it.

Due to the fact that there were so many girls, the club had to be divided into two divisions. One division called themselves "The Flying Needles" and chose as President, Mary Connarn and as Secretary-Treasurer, Gwen Turner. The "Handy Girls" chose as President, Helena Provost and as Secretary-Treasurer, Mystie Wood.

Between the two divisions this year we have earned enough money to buy a pair of pinking scissors which we gave to the House, and we have also been working on a quilt, which will go toward furnishing the House.

We have had several interesting talks and much fun, playing games, sewing and having our refreshments.

SCHOOL NOTES

FRESHMAN RECEPTION

The Freshman Reception is the annual event in which the Freshmen, for the first time, participate in the High School social life.

This year, the Sophomores put over one of the most successful receptions ever attempted. The hall was colorfully decorated with the Freshman colors, green and white. The music was supplied by "Blanchard's Orchestra".

THURSDAY PROGRAM

The few Thursday morning programs that we have had this year, have been thoroughly enjoyed. Talent from unsuspected sources has greatly surprised us, and due to the cooperative spirit of the participants, programs, both instructive and amusing, have been put on.

BOX SOCIAL

In an effort to raise money this year, the Senior Class offered to the public a box social. This, although something familiar to the older folks, was an altogether new type of entertainment for us young people. Games were played, the one act play "Greener Grass" was presented, and dancing was enjoyed. This, added to the selling of boxes, was a truly enjoyable as well as profitable occasion.

JUNIOR AND SENIOR CHORUS

Throughout this year, the Juniors and Seniors together have participated in enjoyable Friday afternoon singing periods. Like the Sophomores and Freshmen, they have sung both modern and classical songs. We owe thanks to Mrs. Whitney that these music periods have been possible.

Much talent has been displayed and it is our hope that future classes will receive the same enjoyment as has been given to us.

FRESHMAN-SOPHOMORE CHORUS

Why are two periods going to be omitted today? Surely, you must know it's Friday and we are going to have singing. The Sophomores are as enthusiastic over the thought of the regular singing period as the Freshmen.

During the year we have sung many songs, both classical and modern. Under the careful guidance of Mrs. Whitney we have learned much more about the Universal Language, Music, and we are eagerly looking forward to more years of this delightful relaxation.

BASKETBALL BANQUET

Something unusual in the line of fun was enjoyed by that special group of high school people, the girl and boy basketeers.

Twenty students, including players, managers, and two coaches, enjoyed a delicious banquet at the Plainfield Inn. Plenty of noise, much good nature, and an evening of rollicking fun were the results.

Dentist:—"Pardon me a moment, I must have a drill."

Cadet:—"Can't I have a tooth pulled without a rehearsal?"

Mr. Hartford:—"The average American girl is poorly educated."

Juvita:—"You think so?"

Mr. Hartford:—"Yes, but there is one consolation; the average American boy will never find it out."

Colgan:—"Be this the Woman's Exchange?"

Woman:—"Yes."

Colgan:—"Be ye the woman?"

Woman:—"Yes."

Colgan:—"Well, then, I think I'll keep Maggie."

Teacher:—"I didn't like 'Mutiny on the Bounty'; it made me sea sick."

Miss Burns:—"Billings, act your age."

Voice from the corner of the room:—"That's what he is doing."

Teacher:—"What is a Deacon?"

Pupil:—"A mass of inflammable material placed in a prominent position to warn people."

Mr. Hartford, after discussing table manners, saw Lee waving his hand.

Mr. Hartford:—"What is the matter Lee?"

Lee:—"I eat with my spoon because my fork leaks."

Teacher:—"Did Troy fall?"

Pupil:—"Troy did fall."

Teacher:—"When did Troy fall?"

Pupil:—"Troy fell in the Fall."

Chase (in physics):—"Mr. Erickson, do you mind if I draw pictures?"

Assignment:—Six Short Stories.

Miss Salmond:—"You may take them from magazines, but *no dime novels*."

Knight:—"Is the Saturday Evening Post all right? It costs five cents."

Miss Burns (Checking up on attendance):—"Are we all absent today?"

Bill:—"Where is that girl friend teacher of yours?"

John:—"We broke up. Last night I couldn't go to see her and she asked me to bring an excuse from my parents."

Miss Barry:—"What is a fire trap?"

Bright Pupil:—"A door in a building that you get out of in case of fire."

Mr. Erickson:—"How long is this stick in grams?"

Who was it that classified a mule as a society donkey?

Miss Burns:—"Define Socialism."

Britain:—"Russia."

Miss Barrett:—"What are the principal parts of run?"

Miss McCauley:—"Rin, ran, run."

Imagine Willard, a Boy Scout, trying to cut off his foot while passing a young scout on a Knife Test.

Miss Burns:—"What three countries have dictators?"

Britain:—"Germany, Italy, Hades."

Mr. Hartford:—"What is a circle?"

Hart:—"A straight line drawn round."

Miss Barry:—"I forgot my umbrella this morning."

Miss Barrett:—"When did you remember you forgot it?"

Miss Barry:—"Well, I missed it when I raised my hand to close it after it stopped raining."

N. H. S. STORY

The Flood covered the Peach orchard, the Bean fields, and even the Steele plant. The Rad-Cliffe had become a rushing Cadorette, and it was more than mere Curtis-y that we used a Shephard's Ferry to Hunt for land and gave several of our Relations a ride.

That Christmas Knight as we neared Nash-ville, we were a Moody crew. Our bones were Aikin and our Harts were heavy. Because of the Slack-ness of food, there being nothing but a little Hammond-eggs and a few fish the Kidds had Speared, the Sargent ordered the Baker to do something with a few Gross-eries we had found floating just below the Woods, and which by Nealing down, the Gaylord had Harnois'd for his Love with a bit of Berry-vine.

After we finally reached land, the chauffeur, Norman, took us in a Brown Karr up to the French style, Primrose decorated Hall. While we stood beside the Hedges nearby, the townspeople rang Bells and shot the Cannon to celebrate the annual steeple-Chase.

CAN YOU IMAGINE

Baker on stilts?

Mr. Hartford wearing glasses?

Abascal studying?

Janice Wills without Phyllis Shepherd?

Max Hall with a girl?

Gwen Turner with a boyish bob?

Mary Eleanor Hunt with a tan?

Dot Prindle and Mr. Hartford on good terms?

A long recess?

Lawrence Willard with a girl?

Carroll Provost's two-mile walks?

Where Miss Harrington goes every weekend?

FACULTY

Roger's son Eric had just opened a restaurant in Hartford and Roger decided to try it out. He entered and on seeing his boy, called to him, "Erick-son, what's on the menu today?" Eric replied that the main dish was sword fish. Roger ordered some, but when it came said, "Oh! this Burns me up," but he decided to grin and Barrett. When the son returned, Roger decided to order two kinds of fish so as to have a choice. He ordered:

Salmond. 15 cents

Harring-ton. cents

Neither of these pleased him, so he decided to Barry the hatchet and eat with his wife.

METHOD OF GRADING

A—4 Quality points	The value of A is 90-100—Excellent work
B—3 Quality points	The value of B is 80-89—Good work
C—2 Quality points	The value of C is 74-79—Average work
D—1 Quality point	The value of D is 70-73—Poor work, passing
X—0 Quality point	The value of X is below 70—failure

A pupil must have passed 3 full year subjects for Sophomore rating.

A pupil must “ “ 7 “ “ “ for Junior rating.

A pupil must “ “ 11 “ “ “ for Senior rating.

To be eligible for a diploma each student shall pass 16 subjects with a total of 24 quality points, not more than 8 points of which may be of D grade. These 16 subjects are to include all requirements of his course.

A certificate will be given to any student who has attended high school for four years but who has not received sufficient quality points to entitle him to a diploma. Acceptance of said certificate, which is optional, will not permit further enrollment.

For college certification a student must have at least 48 quality points.

GENERAL INFORMATION

Examinations are held every six weeks at the end of which time report cards are sent to the parents for their consideration.

Special reports are issued when the pupils are doing unsatisfactory work.

Tuition Rates: Tuition in the High School is \$75 per year, payable in three installments of \$25 at the end of the Fall, Winter, and Spring Terms. In the Grades the Rate of Tuition is \$24 per year, per pupil.

Room and Board: Accommodations with private families can usually be found at reasonable rates. In numerous instances students can earn all or part of their expenses while attending the school.

COLLEGE ENTRANCE

Northfield High School is one of the schools approved by the New England College Entrance Board, so that its graduates, whose work merits certification by the Principal, may enter practically any college in New England and many outside of New England.

Dollars and Sense

Nine out of ten college graduates rise to large salaries and positions of responsibility and trust. The earning power of a college diploma is estimated to be 100,000 dollars more than a high school diploma.

For one dollar, fifty dollars! For sense, common sense!

NORWICH UNIVERSITY **The Military College**

OF THE

State of Vermont

Founded 1819

Incorporated 1834

U. S. Reserve Training Corps

Courses Leading to

THE DEGREE B.A. OR B.S.

Arts, Chemistry, General Science, Civil Engineering,
and Military Science.

Military instruction, practice and discipline are required of all cadets throughout their stay in the college in faith that a citizen is not fully equipped for his duty to the State unless he is trained for service in its defense as well as for its upbuilding. The story of our Nation's struggles for existence justifies this faith.

"The liberties of Rome were safe while military information was generally diffused and every Roman citizen considered and felt himself a soldier."—Captain Alden Partridge, Founder of Norwich University.
